

# LEAD GLOBAL

# NORTH EAST EDUCATION CONFERENCE 2022

Celebrating Amrit Mahotsav @India75

**Theme:** Education, Sustainable Development and North-East Region

On - Saturday, 22<sup>nd</sup> January 2022

At - Guwahati, Assam

### Introduction

The North-East Region (NER), comprising eight states viz. Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim and Tripura, is still one of the less developed regions of India on many critical parameters in the fields of health, education, infrastructure, etc.

Though endowed with rich natural resources NER faces many challenges, like poor infrastructure, poor connectivity, remoteness, hilly and difficult terrain, high operational costs, lack of employment opportunities, subsistence farming, resource constraints, long international borders and unrest etc.

India has introduced an important policy document i.e., **New Education Policy 2020** which aims to transform education for realizing sustainable development goals (**SDGs**). The **SDGs** aim to achieve a sustainable and better future for all by 2030, including eradication of poverty, access to education, healthcare, reducing inequalities. It also includes goals that are directly connected to the biggest concern of the present times – climate change.

The implementation of SDGs largely depends on localization of strategy to achieve it.

The current event aims to explore challenges and alternative solutions for sustainable development of NER with special emphasis on role of education.

With these thoughts in the mind, we at **INDIAN OBSERVER POST** are organising **LEAD GLOBAL NORTH-EAST EDUCATION CONFERENCE 2022**.

### Conference Sessions:

**Session 1:** (Opening Session) Education as Driver of Sustainable Development of NER

**Session 2:** SCHOOL EDUCATION LEADERSHIP AND NEP IN CONTEXT OF NER

**Session 3:** Enhancing Higher Education Student Mobility in NER Perspective

**Session 4:** Valedictory Session and Award Ceremony

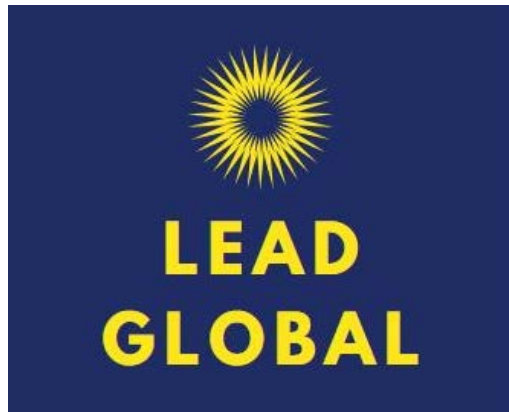

**Session 5:** (Concluding Session)

**Launching of North-East Transformation Initiative (NETI) for Sustainable Development**

### EVENT HIGHLIGHTS

This will be first of its kind event with multistake holder approach.

- **Participation of** Higher and School Education Leaders from NE and Rest of the Country
- **Platform to Connect** and Form Partnerships for Student Mobility
- **Opportunity to Get Recognized** and Highlight Your Institution's Contribution
